Dear Members and Parents,

As a Kilmore Athletic Club committee, we need to be able to contact members and parents about training, competition and meetings etc. However as of the 25th May 2018, a new EU Regulation called the General Data Protection Regulation (GDPR) which replaces existing date protection legislation, means we must make sure that we have your permission to collect and use your personal data. We will keep your details on file for the duration of 1 year, each year you will be asked to complete a Membership form for the coming year.
